

IMAGINING INFINITE ENERGY

*The Ethics of
Fossil-Fuel &
Renewable Energy*

DR. ERIC GODOY

ASSOCIATE PROFESSOR OF PHILOSOPHY, ILLINOIS STATE UNIVERSITY
FELLOW, AMERICAN COUNCIL OF LEARNED SOCIETIES

A just transition from fossil-fuel to renewable energy cannot focus on availability and access alone. How can an energy democracy framework help secure a just transition?

Free lecture, open to the public!

7pm, Wednesday, Feb. 25

Vahlkamp Theater, Crouse Hall
Centre College
